How to access Webmail from your Account Manager

$(function(){ $(".Box").css("display","none"); }); One of the two ways you can access your Webmail is through the Account Manager. To find WebMail from the Account Manager, do the following:

1. Log in to your Account Manager

2. Click the "Email Options" button on the left hand side of the page.

3. Click the "WebMail" tab at the top of the page.

4. Where it says POP Box:, use the pulldown menu to choose which E-Mail box you wish to check.

5. Where it says Password:, enter the password which corresponds to the E-Mail box you selected above.

6. Click the button (if this is your first time using WebMail you will be prompted to select from a list of features and options).

You can also access your WebMail directly via the web at:
http://www.your_domain.com/webmail/
(replacing www.your_domain.com with your actual domain name).
