Overview of Your Billing Cycle

Billing for your account is done monthly, quarterly, semi-annually, or annually, depending on the billing cycle you selected when you signed up.

We accept payment via Visa, Mastercard, American Express, Discover, or Check / Money Order. Invoices and Receipts can be mailed to you and/or we can automatically re-bill your credit card each time an invoice is due (please note that domains registered with LexiConn can never be set to be re-billed automatically). All accounts are charged a $40 one-time setup fee.

A summary of your billing history can be viewed by logging in to your Account Manager, selecting the "Account Management" tab, then clicking on the "Billing" link.
